ANNUAL E-GOVERNANCE CERTIFICATE

2022-2023

E-Governance is the use of Information and Communication technology in the field of administration for increased efficiency and proper record keeping. It promotes easy tracking and dissemination of information and transparency. E Governance in all areas is the demand of the day.

Implementation of E- Governance has been the strategic plan of Siddhinath Mahavidyalaya. To supplement the same the college updates the ICT facilities and improves the IT infrastructure. Training programs for the staff members are arranged to equip them with the latest technological development. The Academic Sub-Committee in collaboration with the IQAC is responsible for various training programs.

The following areas have been identified and developed accordingly.

Administration:

➤ Disclosure of information relevant to the stakeholders.
➤ Dynamic website.
➤ Towards complete Automation through implementation of ERP module.
➤ All Government schemes, salary, pension through dedicated portals of Government Correspondence by e mail, Whatsapp.
➤ Development of ICT infrastructure.
➤ Wi-Fi enabled campus.
➤ Different data from departments and teachers are collected online and stored in specific folders in the Google Drive.
Finance and Accounts:

• Online payment of fees
• Finance data available
• Regular training programs on different modules arranged.

Student Admission and Student records:

▪ Online admission started from the different academic session in past couple of years and Presently payment of fees for all semesters is done online.
▪ The admission guidelines, eligibility rules, intake capacity and all relevant information are displayed on the institutional website. The college website is dynamic and all the important information are posted on the college website.
▪ All Government scholarships are managed online.

Student Support:

• ICT enabled classrooms
• Wi-fi enabled campus
• ICT training for student

Sir/Madam,

We are one of the leading software organizations for college administration and admission in West Bengal. We have developed different types of customized software which is single user or multi user web base. We have developed the software according to your requirement & update this software time to time. "**e-COLLEGE**(College Administration Management System (CAMS))" is a successfully completed College software which help you to get different types of report like Admission, Fees Collection, Monthly Fees Collection, and student and account related any report like Receipt Payment, Daily Sheet, Trial Balance, Day Book, Attendance register etc.....). **This college software is already running more than 50 Govt. aided colleges in West Bengal.** Almost all the colleges in Bankura and Purulia and Purb and Paschim Bardhaman district are engaged with this software and successesfully doing their Accounts, Students Administration as well as Online Admission. The most flexible part of this software is that you can customize and generate your report. You can also install this software in your Web Server for testing or completing run without any cost. This software data base is most powerful and auto backup system. You can use it through your SQL Server. I hope this software serves your purpose and you can identify your college economic and student position by pressing some keys. **If one can use this e-College (ERP 3.0) software completely, there will not require of offline cash counter in college premises. All things including Academic as well as Administrative will be done through online.**

Your kind cooperation is highly appreciated.

Thanking you.

Yours faithfully
